

2019 MICNP Conference Mail in Registration Form

Please use the letters below when selecting your sessions on the registration form. *The three presentations (A-C for each time frame) occur at the same time, you can only select/attend one concurrent session for each time frame.* There are no concurrent sessions on Sunday. If you select 'Full Conference' registration, you will be automatically registered for the three general sessions on Sunday.

Need help deciding which Workshop or Breakout to select? Click [HERE](#) to view all session descriptions.

The link to the descriptions is also available on the conference registration page on our website, www.micnp.org

Complete 2019 Conference price list follows the registration form below.

All registrations are checked for accurate pricing. If your membership status or type changes between the time you register and the date of the conference, you will be contacted about the issue. Pricing will be based on your membership status the day of the conference, not the date of your registration. All balances must be paid before the conference.
