

2019 MICNP Conference - Saturday Breakout - 4:10 pm - 5:10 pm

Date	Time	Presentation Type	CE / Pharm	Presentation Title	Speaker Name	Description
Saturday, March 23	4:10 pm - 5:10 pm	Sat Breakout	1 / 1	Pediatric Pharmacotherapeutics: Children Are Not Little Adults	Wendy L. Wright, MS, ANP-BC, FNP-BC, FAANP, FAAN, FNAP	This session will provide a history of the development of pediatric pharmacotherapeutics. Cases from history with unintentional bad outcomes from pediatric prescribing will be discussed. Strategies to prevent common pediatric errors will be reviewed. Last, new indications and medications approved to treat children will be discussed.
Saturday, March 23	4:10 pm - 5:10 pm	Sat Breakout	1 / 0.5	Managing Endocrine Issues in Primary Care	Jerilynn Spring, DNP, RN, FNP-BC	Limited access to speciality care continues to push the primary care NP to provide diagnosis and ongoing management for common endocrine disorders. This presentation will equip you to confidently manage endocrine disorders of the thyroid, parathyroid and adrenal glands. Recommended biochemical studies, imaging, and pharmacological care will be reviewed.
Saturday, March 23	4:10 pm - 5:10 pm	Sat Breakout	1 / 0	Geriatric-Competent Care	Joan Michelle Moccia, DNP, ANP-BC, CCRN, GS-C	Geriatric syndrome are conditions common in older adults that have a major impact on quality of life and disability. This session is designed to introduce screening tools used to perform a comprehensive geriatric assessment to help advance practice nurses develop a coordinated plan to maximize overall health with aging.
